# PRINCIPAL'S MESSAGE

Dear Year 11,

Welcome to the final Stage (Stage 6) of your schooling.

Year 11 is a stepping-stone towards your future goals. The success of your final two years relies on your attitude and responsibility towards your learning. You want your learning to be enduring, enabling you to make sense of complexity now and in the future. For this to occur, you need to push yourself beyond the learning of facts and skills to uncover concepts—transferable ideas that transcend time, place, and situation.

Learning knowledge and skills is like standing in the middle of a forest, surrounded by trees. It is easy to spot details but hard to see patterns. To do this you need to access opportunities to head up to the mountaintop, pause, take in each detail, and take in the entire forest. Search for big ideas- to generalise, summarise, and draw conclusions by looking at your learning in a holistic way.

Utilise your teacher expertise, advice and feedback – feed-forward to its fullest. Do not be afraid to take risks or ask questions such as:

- · What is it like?
- So what?
- How might I need to change my original idea?
- What is the impact for now and for the future?
- How can I overcome the challenges?
- How does this learning connect concepts and ideas from other courses?

It is important you remain motivated and you remain responsible towards your studies and have a realistic plan to achieve your goals.

I am confident your final two years will bring you joy and fulfilment. Keep working hard.

Best of luck,

Ms Amvrazis Principal

# **ASQUITH GIRLS HIGH SCHOOL MISSION STATEMENT:**

Nurturing personal best and global citizenship in every student by providing a safe and vibrant learning environment with inspiring teaching.

# **ASSESSMENT POLICY – STAGE 6, YEAR 11**

To qualify for the Higher School Certificate students must satisfactorily complete a Year 11 pattern of study comprising of at least 12 units and a Higher School Certificate (HSC) pattern of study comprising of at least 10 units.

Both patterns must include:

- at least six units from Board Developed Courses;
- at least two units of a Board Developed Course in English (English Studies Content Endorsed Course satisfies the pattern of study English requirement)
- at least three courses of two units value or greater (either Board Developed or Board Endorsed Courses);
   and
- · at least four subjects.

To satisfy pattern of study requirements for the Higher School Certificate, a student may count up to six units of Science in Year 11 and seven units of Science in Year 12.

A student will be considered to have satisfactorily completed the Year 11 and HSC courses, if in the principal's view; there is sufficient evidence that the student has met the course completion criteria.

To be eligible for the award of the Higher School Certificate, students must:

- satisfactorily complete Years 9 and 10 and have gained the Record of School Achievement or such other qualifications as the NSW Education Standard Authority (NESA) considers satisfactory;
- have attended a government school, an accredited non-government school, a school outside New South Wales recognised by NESA or a college of TAFE;
- have completed HSC: All My Own Work (or its equivalent) before you submit any work for Year 11 or HSC courses;
- have satisfactorily completed courses that comprise the pattern of study required by NESA for the award of the Higher School Certificate; and
- sit for and make a serious attempt at the requisite Higher School Certificate examinations.

From 2021, students must demonstrate a minimum standard of literacy and numeracy to be eligible for the award of the Higher School Certificate. Students must demonstrate the minimum standard in each domain of reading, writing and numeracy.

# WHY DO WE NEED A SCHOOL ASSESSMENT POLICY?

The school assessment policy is designed so that no student can be unfairly advantaged or disadvantaged by the school's system of assessment. Assessment at Asquith Girls High School encourages the progressive development of skills and knowledge while ensuring:

- equity
- consistency across courses and faculties
- fairness in marking and reporting
- coordination of the assessment program to ease the load on students.

# WHAT IS THE PURPOSE OF ASSESSMENT IN THE HSC?

Assessment is incorporated into the HSC to:

- assist students in their learning;
- provide information on student achievement and progress in each course;
- provide evidence that students have satisfactorily completed a course; and
- allow for the reporting of standards achieved by each student at the end of a course.

# WHAT DOES THE ASSESSMENT POLICY LOOK LIKE AT ASQUITH GIRLS HIGH SCHOOL?

At Asquith Girls High School students are assessed against course outcomes through a range of assessment tasks in each course. An outcome is a description of the learning which has taken place.

A range of tasks are used for assessment and will vary from course to course. These may include but are not limited to:

- tasks which may take a written, practical or oral form;
- class essays, research tasks, assignments, portfolios, log books;
- practical tasks and major works;
- projects.

Students' reports are issued twice each year. The reports include information about the student's working profile and their progress in achieving course outcomes.

## **DEFINITIONS**

Components are the parts of courses or major areas to be assessed

Weightings are the percentages of marks to be allocated to the components

Feedback is comments about a student's achievement towards task outcomes

Feed-forward is comments that identify specific strategies and/or targets for further improvement

### WHAT ARE THE RESPONSIBILITIES OF THE SCHOOL?

An assessment schedule has been developed for each course, within the guidelines provided by NESA, incorporating mandatory assessment components and weightings for that course.

The school is required to provide students with the following information:

- an Assessment Schedule Calendar, which outlines what components are to be assessed, when the assessment tasks are scheduled and the relative weighting attached to each assessment task;
- assessment tasks of the same type and the same weighting for all classes studying that course;
- written notification at least two (2) weeks in advance of the scheduled assessment task;

At the completion of each task, students will receive:

- a mark;
- a rank;
- an indicative cumulative rank (where applicable);
- the marking criteria; and
- feedback on student achievement and feed-forward actions for further improvement.

### Note:

Assessment Tasks are returned within 2 weeks of the date of the Task/Examination. In exceptional circumstances some tasks may be rescheduled or substituted. In such cases, Head Teachers or class teachers will inform students of the new arrangements in writing at least **two (2) weeks in advance.** 

Official Warning Letters will be posted home to parents/caregivers outlining where their daughter/ward the areas of unsatisfactory completion of the Year 11 and HSC Course requirements. A student will be considered to have satisfactorily completed a course if, in the principal's view, there is sufficient evidence that the student has:

- followed the course developed or endorsed by NESA; and
- applied themselves with diligence and sustained effort to the set tasks and experiences provided in the course by the school; and
- achieved some or all of the course outcomes.

## WHAT ARE THE RESPONSIBILITIES OF STUDENTS?

- Every student has the responsibility to be familiar with Asquith Girls High School's Senior Assessment Policy and procedures and with the course information contained in this Handbook.
- It is the responsibility of the student to be present for, or to hand in all assessment tasks at the required time as specified in the booklet and the assessment calendar.
- If tasks are submitted via email students must ensure to send it <a href="mailto:asquithgir-h.school@det.nsw.edu.au">asquithgir-h.school@det.nsw.edu.au</a> and address it to the correct teacher.
- Students must demonstrate sustained diligence and effort in each course.
- Students must complete all set tasks (not just assessment tasks) in order to achieve course outcomes.
- Students must attend all classes. Attendance below 90% is considered to be unsatisfactory.
- Students are required to participate in all lessons constructively.
- It is important that the student speaks with their class teacher or Head Teacher of the faculty if there is any doubt about the requirements of the course assessment policy.
- Students must be present for the **whole day** in which an assessment task is scheduled. It is not acceptable for a student to attend school to fulfil the requirements of an assessment task only and not be present at all the timetabled lessons for that particular day.
- Students absent form school, on any given day, I are responsible upon their return to school to see their teachers and collect any hand out materials/information/notifications that may have been given during their absence from class.

## HAND-IN ASSESSMENT TASKS

Hand-in tasks may include: essays, portfolios, written reports, practical works or research projects.

All assessment tasks are to be submitted to the class teacher or Head Teacher on the due date at the time and period specified on the assessment notification. It is the student's responsibility to ensure that tasks are submitted on time.

Tasks may be submitted:

- in person;
- via email to asquithgir-h.school@det.nsw.edu.au addressed to the correct teacher; or
- other agreed processes indicated on the assessment task notification.

Students must complete a cover sheet for each hand-in assessment task and receive an assessment task receipt.

In the situation where a task submission is in question it is the student's responsibility to provide the task submission receipt to the faculty. Failure to do so may lead to a zero mark being awarded.

# Students must not leave hand-in tasks on teachers' desks.

If the student has only completed part of the hand-in task, this part must be submitted to the class teacher on the due date. Failure to submit tasks on time, without a valid reason may result in a zero mark. In the case of illness or misadventure, it is the student's responsibility to follow the process outlined on pages 12-14.

Students may email their hand-in assessment task to their teacher **if this is the arranged process**. In such a case students must ensure the information is sent to the correct email address. Students must keep evidence of their email and any attachments that relate to it.

### PERFORMANCES AND ORAL TASKS

Students must be prepared to present performances and oral assessment tasks (including, but not limited to: presentations, viva voce and language speaking tasks) on the specified due date. Where applicable, students must submit a hard copy of their presentation on the advertised due date of the task.

## **TECHNOLOGY AND ASSESSMENT TASKS**

Some assessment tasks will require that students submit the task in electronic form, and this will be specified when the task is set. All other tasks must be submitted in hard-copy format. It is the responsibility of the student to ensure that all reasonable steps are taken to prevent technology failure from hampering her ability to submit a task by the due date. **Technology failure is NOT**, in itself, a valid reason for failure to submit a task by the due date.

To minimise problems in relation to technology, students should adhere to the following protocols:

- make multiple copies of work using at least three different storage devices
- when working at home, continually back up all work on the hard drive of your computer and on an external storage device such as a flash drive/USB or email
- when working at school, save the latest version of your work to your personal file on the school server whenever possible
- tasks which are to be submitted electronically should be checked well before the due date to ensure that the data can be accessed at school
- check the compatibility of your home software with the school's technology support specialist or your teacher
- save a copy of the final version of your task to an email address, as well as bringing it to school on a flash drive/USB
- when you save your work to a flash drive/USB, open it immediately to check that it has been successful
- to submit a hard copy of your task, print the task at home to avoid any software incompatibility problems
- enable receipt email
- electronic copies must have proof of email sent satisfactorily

# Important Note: Technology failure or printer breakdown will not be accepted as a valid reason for late submission

# **DISABILITY PROVISIONS**

NESA may approve disability provisions for students that have a disability that would, under normal assessment situations, prevent a student from:

- reading examination questions;
- communicating responses.

Students are required to speak to their Deputy Principal, Year Adviser or school counsellor if they would like to apply for disability provisions.

Provisions can not be granted to compensate for:

- difficulty completing a course or preparing for an assessment;
- lack of familiarity with English language skills.

When applying for disability provisions, students should include recent evidence of their disability. Students may need to organise testing early in the year so that applications are able to be finalised by the closing date. Students may also be required to produce work samples. Insufficient evidence may result in a decision being delayed.

# FEED-FORWARD AT ASQUITH GIRLS HIGH SCHOOL

Each teacher is committed to providing students with specific and actionable strategies to improve. These strategies, referred to as **feed-forward**, describe the opportunities for future growth by suggesting actions. Feed-forward strategies will be provided by teachers at all stages of learning, including assessment tasks. Students are responsible for actioning these suggestions to improve the quality of their work and demonstrate growth in their learning.

When students submit an assessment task, teachers will provide both feedback and feed-forward strategies.

- Feedback is comments about a student's achievement towards task outcomes.
- Feed-forward is comments that identify specific strategies and/or targets for further improvement.

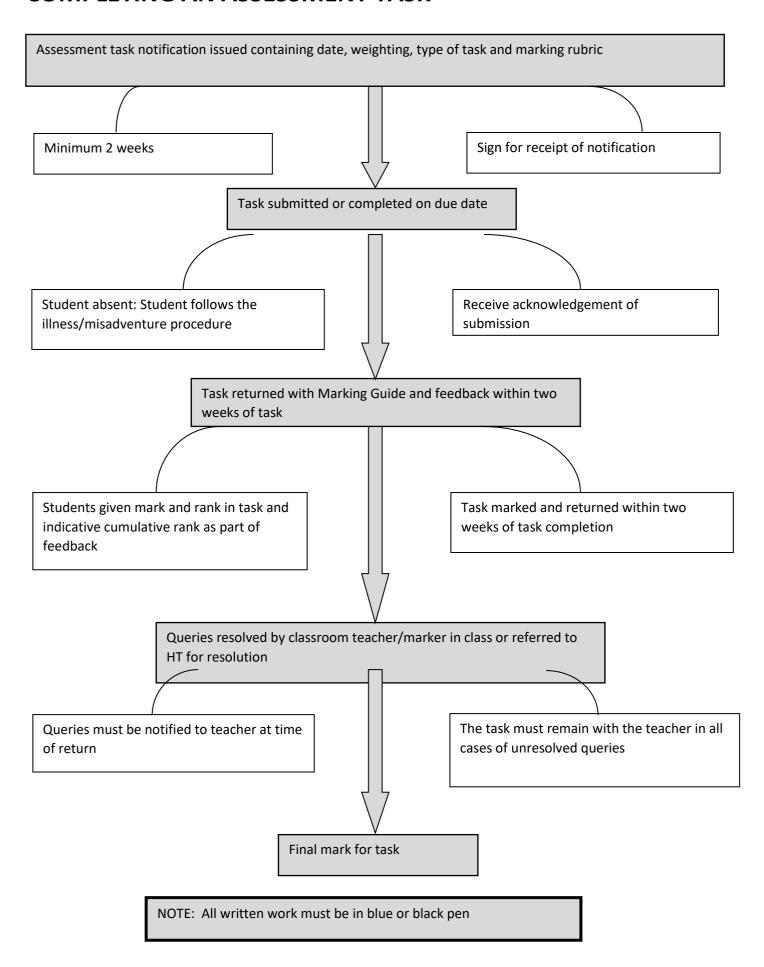

## **EFFECTIVE FEED-FORWARD**

Effective feed-forward:

- describes a problem and its impact, then suggests a solution;
   For example, a teacher may write, "You are currently referring to one source. The rubric states that to achieve high outcomes for research skills you must consult a variety of sources. Have you considered adding....."
- will be focused on a few actionable strategies that, if actioned, may improve the standard of the work. For example, a teacher may say, "You are currently demonstrating outcomes at this level. To improve to the next level consider the following steps";
- assists students to see possibilities for improvement.
   For example a teacher may ask, "What if you added this?" or "If you changed that, how would it strengthen your overall argument?".

Important Note: Feed-forward is not editing. Teachers will suggest specific strategies for growth however teachers are not responsible for editing students' work for spelling, grammar, punctuation and syntax.

# **ILLNESS/MISADVENTURE**

Assessment tasks are intended to measure each student's performance in relation to course outcomes. Students may lodge an illness/misadventure application if circumstances beyond their control occur immediately before or during the assessment tasks, affected their performance for this assessment task.

This may relate to:

- Illness or accident that is, illness or physical injuries suffered directly by the student which allegedly affected the student performance in the tasks (eg influenza, an asthma attack, a cut hand);
- Misadventure any other event beyond the student's control, for example the death of a family member or close friend or involvement in a car accident on the way to the school. In such cases students must provide valid documentation.

The responsibility to complete and submit an Illness/Misadventure application rests with the student. Students must report to the Deputy Principal, of the relevant year, with the valid documentation on the morning of their first day at school. They must also be prepared to submit their assessment or sit their examination on their first day back.

### **CHRONIC CONDITIONS**

Students suffering from a chronic illness are only eligible for appeal if the condition is exacerbated immediately before or during the assessment period, or if the student experiences symptoms during the test which impede performance.

# **DISABILITY PROVISIONS**

Students who have received disability provision(s) are only eligible for an appeal if an unforeseen episode occurs during the assessment task.

# **EVIDENCE NECESSARY FOR ILLNESS/MISADVENTURE**

When students complete and submit an Illness/Misadventure application, supporting evidence must be provided.

This evidence includes:

- student statement: must detail how her performance was affected by the illness or misadventure;
- parent/caregiver statements must detail how the student's performance was affected by the illness/misadventure;
- independent evidence: doctor's certificate or other valid documentation.

**Note:** A medical certificate must be specially related to the assessment task that is the subject of the application and not general in nature. It must include details of the date of onset of the illness, any additional dates of consultation and a statement about how the student's performance may have been affected.

In cases of misadventure, evidence from other sources (eg police statements and/or statutory declarations explaining how the student's performance may have been affected) should be provided with the date and time of the occurrence and subsequent events.

If a student falls ill during an assessment task, the student must notify the teacher or assessment supervisor immediately.

Students must ensure they comply with the process in cases of:

## 1. ABSENCE DUE TO ILLNESS/MISADVENTURE ON THE DAY OF AN IN-SCHOOL ASSESSMENT TASK

- The student or family member is requested to inform the school of the misadventure/illness on the morning the task is scheduled.
- Students must report to the Deputy Principal, of the relevant year, on the first day of their return to school. The student must complete an Illness/Misadventure form (ATTACHMENT A Page 18). This form, once it has been completed by all relevant parties, should be returned to the Deputy Principal within two days from receiving the illness/misadventure application. Evidence needs to be attached to the completed form.
- Students should be expected to sit for the assessment task on their first day back.

## 2. ABSENCE DUE TO ILLNESS/MISADVENTURE ON THE DAY AN ASSESSMENT TASK IS DUE TO BE SUBMITTED

- The student or family member is requested to inform the school of the illness/misadventure on the morning of the day the task is due to be handed in.
- On the first day of the student's return to school, the student must submit the task to the relevant Head Teacher of the faculty and complete an Illness/Misadventure form (ATTACHMENT A Page 18) obtained from the Deputy Principal. This form, once it has been completed by all relevant parties, should be returned to the Deputy Principal within two days from receiving the illness/misadventure application. Evidence needs to be attached to the completed form.

# 3. ILLNESS/MISADVENTURE DURING AN IN-SCHOOL ASSESSMENT

• The student must acknowledge her condition to the teacher/supervisor of the task during the task and before leaving the room, or sitting for the task and collect an Illness/Misadventure form from the Deputy Principal. A student who presents for an assessment task cannot apply retrospectively for any special consideration due to illness.

# 4. ILLNESS/MISADVENTURE DURING EXAMINATION PERIOD

- The student or family member must inform the school of the illness/misadventure on the morning of the examination or inform the examination coordinator.
- Students will need to complete an Illness/Misadventure form (ATTACHMENT A Page 18) obtained from the Deputy Principal. This form, once it has been completed by all relevant parties, should be returned to the Deputy Principal. Evidence needs to be attached to the completed form.
- The examination coordinator will liaise with the student and organise a rescheduling of the affected examination(s).

## 5. GROUP PERFORMANCE ILLNESS/MISADVENTURE (ATTACHMENT B -Page 20)

- When a group performance cannot go ahead on a scheduled date, the students affected need to complete a group performance Illness/Misadventure form from the Deputy Principal.
- This application must be returned to the relevant Deputy Principal, with appropriate evidence, within two days. The Head Teacher/Teacher, will reschedule an alternative date for the performance.
- The student responsible for this group Illness/Misadventure application must complete an individual Illness/Misadventure form outlining the nature of their application. Please note that this application will be considered separately to the group's application.

# IN ALL CASES INVOLVING ILLNESS/MISADVENTURE:

- The Illness/Misadventure application form must be completed and returned to the Deputy Principal <u>within</u> <u>two days</u> of the initial return to school. The urgency and accuracy of the procedures are important in enabling the case to be seriously considered.
- Where the reason for absence is substantiated, arrangements will be made for a student to complete the task or an alternative task at the earliest opportunity.

# The consequences of not following these procedures may result in your application for Illness/Misadventure being rejected.

# **ILLNESS/MISADVENTURE OUTCOMES**

- If the documented evidence provided supports absence/late submission then the mark you receive for the task will be considered in determining your ranking in the course after the completion of all assessments for the course. Therefore your mark will be pending.
- If the documented evidence does not support your absence/late submission a zero mark will be awarded. A letter will be sent to your parent/caregiver informing them of this decision.

# SCHOOL BUSINESS (Approved School Event Participation) AND APPROVED LEAVE

Students on School Business must notify their teachers of their absence from school. The program coordinator must ensure all students complete Attachment C (Page 21) and notify the attendance officer for each stage. School Business must be approved by the Principal or the Principal's nominee.

Approved School Business does not require illness/misadventure application.

Students who miss an assessment task due to School Business will complete the task on the first day back to class. Students must make this arrangement with their Deputy Principal.

The granting of approved leave is at the discretion of the Principal. The same rule applies if a student has been granted approved leave from school by the Principal or their nominee (ATTACHMENT C – Page 21).

Important Note: If a student knows in advance that they will be absent on the day a hand- in assessment is due, the task should be handed in <u>prior to the due date.</u> Family Holidays and unapproved leave are not grounds for a Misadventure. Leave not approved by Principal would result in Zero Mark.

# NON-SERIOUS ATTEMPTS, MALPRACTICE AND PLAGIARISM

# **NON-SERIOUS ATTEMPTS**

- Students who do not make a serious attempt at an assessment task may receive a zero award in the course concerned. This may render some students ineligible for the award of the Year 11 and HSC course.
- Non-serious attempts include frivolous or objectionable material or failure to attempt whole questions
- Students identified as providing non-serious attempts will be asked to justify why they should receive a result in the course concerned
- Students who provide answers to examination questions in a language other than English (unless specifically instructed to do so) will have zero marks awarded. The Head Teacher of the faculty will advise the student and her parent/caregiver of the decision in consultation with the relevant Deputy Principal.

Submitted work may be classified as a non-serious attempt where it is frivolous or offensive. Failure to reach a level of achievement does not necessarily constitute a non-serious attempt. Where the school applies a penalty for a frivolous or offensive response written communication will occur with the parent/caregiver.

## **HONESTY IS KEY FOR ALL STUDENTS AND STAFF**

All HSC candidates, their teachers and others who guide them must comply with the NESA Honesty in Assessment Standard to maintain the integrity of the HSC.

Students must be entirely honest when completing all assessment tasks, examinations and submitted works. Students will be marked only on the quality and originality of the work they have produced.

### WHAT TYPES OF PROVEN MALPRACTICE NEED TO BE RECORDED?

Malpractice is dishonest behaviour by a student that gives them an unfair advantage over others. It includes, but is not limited to:

- copying someone else's work in part or in whole, and presenting it as your own;
- using material directly from print or digital mediums without reference to the source;
- building on the ideas of another person without reference to the source;
- plagiarism such as buying, stealing or borrowing another person's work and presenting it as your own;
- submitting work that another person, such as a parent, tutor or subject expert, has contributed to substantially;
- using words, ideas, designs or the work of others in practical and performance tasks without appropriate acknowledgement;
- paying someone to write or prepare material;
- breaching school examination rules;
- cheating in an in-class assessment/examination, including having access to mobile devices;
- using non-approved aids during an assessment task;
- providing false explanations to explain work not handed in by the due date;
- assisting another student to engage in malpractice;
- being in possession of unauthorised notes or electronic devices during a test or examination;
- copying from another student.

Proven cases of malpractice may result in disciplinary action

## IS THE LATE SUBMISSION OF A TASK OR A NON-SERIOUS ATTEMPT CONSIDERED MALPRACTICE?

Late submission of assessment tasks may be malpractice when it is proven to be a deliberate mechanism to gain advantage over other students. Students may submit overdue assessment work for a variety of other reasons not considered malpractice, such as illness, technical or transport issues or lack of motivation.

Note, in all cases of late submission of a task, the illness/misadventure process must be followed.

Where the teacher responsible for a task has reason to suspect malpractice, this must be brought to the attention of the Head Teacher. If both are in agreement then the student will be awarded a zero mark for the plagiarised component of the assessment task.

# THE ASSESSMENT REVIEW PANEL (ARP)

Students may appeal a decision using the procedures existing within the school. In all cases, students may appeal in writing to the Assessment Review Panel (ARP). This application must be made <u>within two days</u> of receiving the decision.

The ARP is comprised of the Deputy Principal and two independent Head Teachers. The ARP will consider all Illness/Misadventure appeals. A decision will be made after careful examination and consideration of the evidence provided both by the student and the faculty. Each party will be notified in writing of the decision made by the ARP. Where a decision cannot be reached, the ARP will submit the appeal to the Principal for a determination (Attachment D, page 22).

## **UNACCEPTABLE GROUNDS FOR APPEAL**

Unacceptable grounds for appeal include:

- attendance at a sporting or cultural event, or family holiday where approval has not been given by the Principal or Nominee;
- alleged deficiencies in tuition or long term matters relating to loss of preparation time;
- disabilities for which NESA has already granted special provisions, unless an unforeseen episode occurs
  during the test (eg a hypoglycaemic attack in a diabetic student who has been isolated but is still ill), or
  further difficulties which are supported by the supervising teacher and school;
- long-term illness, such as glandular fever, asthma, epilepsy, unless the student has suffered a 'flare up' of the condition during the test;
- matters avoidable by the student (eg misreading of timetable, misinterpretation of assessment task).

# PROCEDURES FOR YEAR 11 AND HSC COURSE ILLNESS/MISADVENTURE

Students missing an assessment task and wishing to make application for Illness/Misadventure must follow the procedure outlined below:

# Step One: Student Contacts the School

Student/Parent/Caregiver is requested to inform the school of the absence

# Step Two: On first day of return

It is the student's responsibility to:

- 1. Report to the Deputy Principal, of the relevant year, before school.
- Complete Illness/Misadventure Application including Head Teacher, Parent/Caregiver & Student comment and signatures
- 3. Submit application form to Deputy Principal, of the relevant year, within two days of their return to school

# Step Three: Resolution and Feedback

- 1. Deputy Principal reviews documentation.
- 2. Resolution and feedback are given to Head Teacher, student and parent/caregiver.
- 3. Mark pending or zero award recorded on the application

# Step Four: Appeal

- Assessment Review Panel (ARP) consisting of a Deputy Principal, of the relevant year, plus two Head Teachers will meet to consider application.
- 2. Resolution and feedback are given to Head Teacher, student and parent/caregiver.

# PROCESS FOR DETERMINING AN 'N' AWARD FOR YEAR 11 AND HSC COURSE

# **LETTER FOUR (TASK 4)**

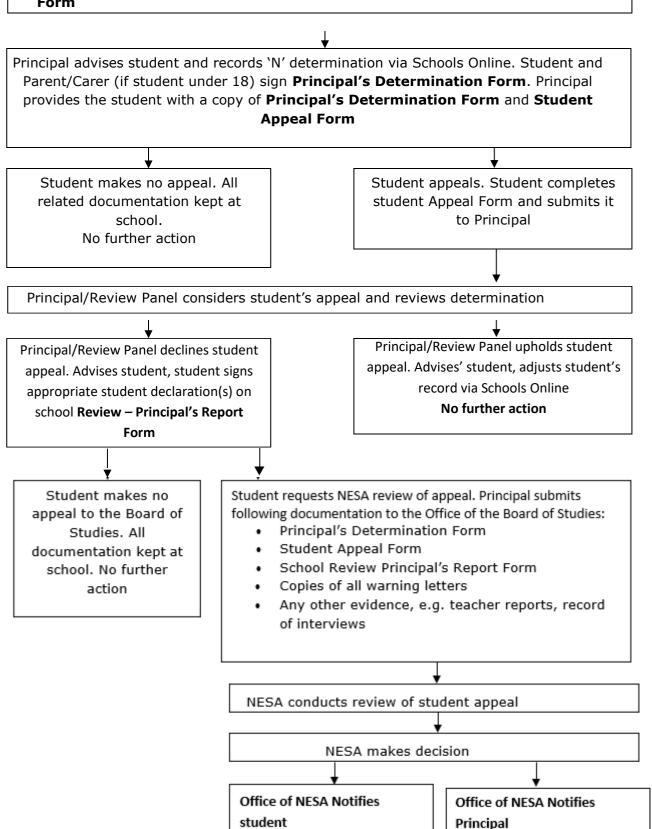

- Head Teacher notifies the Principal, Paperwork to-date submitted
- Deputy Principal notifies the Principal and submits documentation to-date
- Deputy Principal organises an interview with Principal, Deputy Principal, Studentand Parent/Caregiver
- Parent/Caregiver and Student advised in writing of interview outcome. Student is given an opportunity to redeem from her circumstance

# 'N' DETERMINATION PROCESS BEGINS AT END OF THE COURSE

# NESA PROCEDURES FOR APPEALS AGAINST 'N' DETERMINATION FOR NON-COMPLETION OF YEAR 11 AND HSC COURSE REQUIREMENTS

Where a student has not met the NESA Course Completion Requirements, Principal makes 'N' determination and completes **Principal's Determination**Form

# **VOCATIONAL EDUCATION COURSES**

**Vocational Education** courses are taught and assessed through competencies in Stage 6, this should reflect the acceleration of AGHS students, Year 11 and HSC and in the HSC years. Vocational Education courses focus on the achievement of workplace competence. Competence incorporates all aspects of work performance including communication, problem solving and the capacity to apply skills and knowledge in both familiar and new situations as well as industry specific skills.

Assessment for VET courses within industry curriculum frameworks has two distinct purposes:

- 1. Assessment for ASQA (Australian Skills Quality Authority) VET qualifications competency based assessment
- 2. Assessment for the ATAR if it is a Board Developed Course.

Assessment for ASQA Certification is competency based. Tasks may be holistic to demonstrate the acquired skills, knowledge and attitudes. Students are given the opportunity to develop skills over time and are required to demonstrate competence to qualified assessors. All competencies and work placement must be completed for NESA in the allocated time. Students withdrawing from optional VET examinations must do so at this time by completing the appropriate form.

A variety of assessment strategies are employed to assess the competence of students. Competency Standards are the benchmarks for this assessment.

Assessment evidence gathering techniques and events include practical tasks, observation, questioning, written activities and may also involve third party reports from work placement. Assessment may be conducted at the delivery site, in simulated work environments, through work placement, or through a combination of these modes.

Compulsory assessment tasks called Cluster Tasks are mandated by the RTO and must be completed as part of the assessment requirements.

# THE YEAR 11 AND HSC AND HSC EXAMINATION

The examination for 240-hour VET courses only is independent of competency based assessment requirements for ASQA qualifications.

# **INTERNAL ASSESSMENT TASKS**

In order to ensure that students at Asquith Girls High School are equipped to exercise this option, all 240 hour VET Framework students will be required to practise appropriate written skills by completing examinations in the usual examination periods.

### **WORK PLACEMENT**

Work Placement is a mandatory requirement for each course within the VET frameworks and forms an essential part of the total course assessment. Indicative hours have been assigned and must be addressed. Work Placement will occur in Year 10, 11 and Year 12, at times to be advised. Each course requires Work Placement for 35 hours per year. Failure to complete Work Placement in the allotted time will render the student ineligible for the award of a Year 11 and HSC credential in the VET course.

# **OTHER COURSE REQUIREMENTS**

VET courses have an underlying premise that each lesson is an opportunity for assessment. Attendance at every lesson is vital because aspects of competency will be tested.

# SCHOOL BASED VET ASSESSMENT POLICY

Vocational Education Training (VET) Courses are dual accredited courses. Students have the opportunity to be awarded with:

- Units towards Year 11 and HSC qualifications
- Competencies which can lead to a Statement of Attainment, Certificate 1, 2 or 3 which is awarded under the Australian Qualifications Framework (AQF).

Students will be assessed in both areas during each VET Course.

# **AQF ASSESSMENT**

All Industry Curriculum Framework Courses are assessed under National Competency Standards that have been determined by industry for inclusion in the framework training packages.

Competency based assessment means that students work to develop the competency skills and knowledge described in each Unit of Competency to be assessed as <u>competent</u>. A student must demonstrate to a qualified assessor that they can effectively carry out various tasks and combinations of tasks listed, to the standard required in the appropriate industry. There is no mark awarded in competency based assessment. Students are assessed as the "competency achieved" or "not achieved".

Demonstrating competence means that you can perform the task or show an understanding to the level required by the industry standards.

The units of competency achieved will be recognised on a vocational qualification.

Students will be involved in a variety of assessment tasks ranging from practical tasks to written tasks. If students are deemed not competent at the time, they will be given at least one further opportunity at an agreed time to be re assessed. There are a number of competencies that <u>may only be offered once</u> during the course due to their:

- H&S requirement
- Cost
- Time frame
- Supervision required
- Resource availability

Specific information about these competencies will be issued to students at the beginning of the course.

# **HIGHER SCHOOL CERTIFICATE (HSC)**

Students will be awarded units towards their Year 11 and HSC by studying a VET Course.

Some VET Courses e.g. Curriculum Framework Courses will allow students to include a mark from the written HSC examination which can be used in the calculation of the Australian Tertiary Admission Rank (ATAR). As with all HSC courses, NESA procedures apply to all VET Courses.

VET courses will be listed on the Year 11 Certificate Record of Achievement. No mark will be listed for competency achieved.

### **WORK PLACEMENT**

Work placement is a **mandatory HSC requirement** of curriculum framework VET courses. Appropriate hours are as follows:

- 120 hour course a minimum of 35 hours in a workplace
- 240 hour course a minimum of 70 hours in a workplace

Failure to comply with HSC mandatory workplace hours will mean that students have not fulfilled the NESA course requirements and will therefore not be able to be accredited with the 2 units of study. Learning in the workplace will enable students:

- progress towards the achievement of industry competencies
- develop appropriate attitude towards work
- learn a range of behaviours appropriate to the industry
- practice skills acquired off the job in a classroom or workshop
- develop additional skills and knowledge, including key competencies

# **ASSESSMENT SCHEDULE**

Information regarding mandatory assessment tasks, called 'Cluster Tasks', will be set out in an assessment schedule. These tasks will be used as evidence of competency.

### **APPEALS PROCEDURE**

Normal school assessment appeals procedures will apply for VET courses.

## **RPL: RECOGNITION OF PRIOR LEARNING**

Students who have had **previous work or life experiences** will need to produce **evidence** to enable their teacher to assess their skills to ensure they are at **industry standard**.

RPL will only be granted for competencies where a student is able to demonstrate achievement of all of the learning outcomes and performance criteria for that unit of competency. A student would then be exempt from undertaking the training and assessment for that unit of competency only.

# WHAT IS CREDIT TRANSFER?

If you have already completed content and learning for all or part of a similar unit/s of competency that is deemed equivalent, you may be eligible for credit transfer. Credit transfer will be granted where you provide a transcript, a result notice, a certificate or a competency record, eg WorkCover white card.

# **EXTERNAL VET COURSES (EVET)**

External VET courses are 2 unit courses that are part of the HSC. Successful completion requires attention to attendance and assessment.

# **ATTENDANCE**

Students are expected to attend every scheduled TAFE class, or scheduled lesson with an external provider, even during examination periods. Classes last for up to 4 hours and learning is sequential. Students missing a lesson may find it difficult to follow what is being taught when they return to class. Courses are made up of modules. A module might be of four hours duration. Missing the lesson may result in the student missing the module.

Missing a TAFE or external provider course day is the same as missing a school day (or part of a day) in that a parent note and Doctor's Certificate **MUST** be supplied to the school explaining the absence. The absence will be recorded on the school roll and appear on the school reports.

When students miss a TAFE class they must:

- Tell the EVET co-ordinator at school (Careers Adviser) and supply an explanation note if you went to a doctor bring doctor's certificate.
- Talk to the EVET teacher on return to find out how to catch up on the missed work.
- Students on a compulsory school activity must tell the school's EVET co-ordinator and he or she will write an explanation note for the EVET teacher.

Students must be ready to start on time and not expect to leave class early.

### **ASSESSMENT**

- The EVET teacher will give students an assessment schedule on the first day.
- Similar to HSC subjects at school, assessments are a compulsory requirement for successful completion of EVET courses.
- Missing an assignment task due to illness will require a doctor's certificate, and an alternative time will be
  organised. Students will be notified if they are in danger of not satisfying EVET (and HSC) requirements
  with regard to any aspect of their course through NESA letters warning of unsatisfactory completion of a
  course. Students should reply via the return slip and take steps to resolve the problem.

**NOTE:** The student's EVET course maybe part of the units necessary to successfully complete Year 11/HSC requirements.

Remember the school's EVET co-ordinator (Careers Adviser) is the first contact for any problems associated with TAFE Delivered VET course.

# **BOARD ENDORSED COURSES**

Students studying Board Endorsed Courses are reminded that unsatisfactory progress in these courses (as outlined in this assessment guide) may lead to an 'N' determination. This may result in a student not being eligible for a Record of Achievement for a Year 11 and HSC Course and receiving only a Certificate of Attainment.

Students not fulfilling the requirements of the course (e.g. unattempted assignments) will be warned, as will their parents/caregivers, that they may be deemed unsatisfactory.

## STUDENTS STUDYING OUTSIDE COURSES

A student's pattern of study may include studying courses outside of the school. These include courses studied:

- at Saturday School of Community Languages
- at TAFE Colleges and external providers
- with an Outside Tutor
- at the Open High School

Each of these alternatives have different requirements for attendance and assessment. It is the responsibility of the student to:

- notify the Principal of her intention to study outside courses.
- meet the requirements of these bodies.
- ensure they notify the relevant Deputy Principal, and Career Adviser/Course coordinator of any variation to their study of the courses.

Students studying with an outside tutor must see the relevant Deputy Principal with the necessary documentation for course endorsement and NESA entry.

Failure to complete a course studied outside school may reduce the number of units being studied to less than the minimum acceptable. This could mean the student may not qualify for a Preliminary HSC or HSC Course.

# **DISCONTINUATION OF A COURSE**

Students are reminded that they must have the written approval of the relevant Deputy Principal before discontinuing the study of any course, to ensure that they have sufficient units to satisfy requirements for the Year 11 Course, the HSC or an ATAR. This approval is subject to parent/caregiver request and Head Teacher consent. Students must ensure all assessment tasks for this course are completed prior to this request. This discontinuation of a preliminary HSC course must be completed by the published timeline. This is necessary to ensure a student has demonstrated successfully the minimum achievement for the course of study.

## **CONCERNS**

It is the responsibility of a student experiencing any difficulty in assessment for a course to seek help from the Head Teacher in charge of that course.

Any clarification of this policy should be sought from the Assessment Review Panel chairperson (Mrs Turnbull).

# **RECORD OF SCHOOL ACHIEVEMENT (ROSA)**

Eligible students who leave school before receiving their Higher School Certificate (HSC) will receive the NSW Record of School Achievement (RoSA). The RoSA is a cumulative credential in that it allows students to accumulate their academic results until they leave school. The RoSA records completed Stage 5 and Year 11 Stage 6 courses and grades, and participation in any uncompleted Stage 6 courses. It is of specific use to students leaving school prior to the HSC. Students who go on to complete the HSC will see all their Stage 6 (Year 11 and 12) courses and results on their HSC.

# **ELIGIBILITY FOR THE RECORD OF SCHOOL ACHIEVEMENT (ROSA)**

To qualify for the RoSA, a student must have:

- attended a government school, an accredited non-government school or a recognised school outside NSW;
- completed courses of study that satisfy NESA's curriculum and assessment requirements for the RoSA;
- complied with all requirements imposed by the Minister or NESA; and
- completed Year 10

Students must continue to attend until the final day of Year 10 at their school.

Students leaving school who do not meet the RoSA requirements will be issued with a printed Transcript of Study.

## A CREDENTIAL FOR SCHOOL LEAVERS

- While formal RoSA credentials are for school leavers, all Years 10 and 11 students will be able to access their results electronically and print a transcript of their results.
- Students who leave school and satisfy eligibility requirements for the RoSA will receive the formal credential.
- Students who leave school and are not eligible for a RoSA will receive a Transcript of Study at their departure. The Transcript of Study contains the same information as the RoSA for courses satisfactorily completed.
- All students have access to a record of their courses studied and their grades through 'Students Online'.
- Students who receive their HSC will be able to receive a RoSA at the same time as their HSC, detailing their achievement in their earlier years of study.

# **LIFE SKILLS**

Courses based on Life Skills outcomes and content satisfy the mandatory curriculum requirements for award of the RoSA. The Profile of Student Achievement provides details on Life Skills syllabus outcomes achieved by students.

# **YEAR 11 GRADES**

Schools are responsible for awarding each student studying and completing a Stage 6 Year 11 course a grade (A, B, C, D or E) to represent the student's achievement (except Life Skills courses and VET). The grade awarded is reported on the student's RoSA. Teachers use the Common Grade Scale for Preliminary Courses to determine grades for all Board Developed and Board Endorsed Courses.

Grade descriptions are derived from the knowledge, skills and understandings developed in Stage 6 syllabuses and provide a general description of typical performance at each grade level from A to E.

## 'N' DETERMINATIONS

'N' determinations are issued to students who do not complete the requirements for a course.

- Schools issue warning letters to students who are in danger of not meeting course completion criteria, giving the student time for the problem to be corrected.
- If a student has been given an 'N' determination in a mandatory course, they will not be eligible for the RoSA. If they leave school, they will receive a Transcript of Study that will list the mandatory course(s) for which an 'N' determination was given. The words 'Not completed' will appear next to each 'N' determined course.
- If a student is given an 'N' determination in a non-mandatory course, the course will not appear on their RoSA or Transcript of Study.
- A principal with appropriate delegation by NESA may determine that a student undertaking Stage 6
  courses who was ineligible for the RoSA at the end of Year 10 because of failure to meet the requirements
  has subsequently met the requirements and is therefore eligible for the RoSA.

### **COMMON GRADE SCALE FOR YEAR 11 COURSES**

The Common Grade Scale shown below should be used to report student achievement in the Year 11 Stage 6 year in all NSW schools. The Common Grade Scale describes performance at each of five grade levels.

**A** The student demonstrates extensive knowledge of content and understanding of course concepts, and applies highly developed skills and processes in a wide variety of contexts. In addition the student demonstrates creative and critical thinking skills using perceptive analysis and evaluation. The student effectively communicates complex ideas and information.

**B** The student demonstrates thorough knowledge of content and understanding of course concepts, and applies well-developed skills and processes in a variety of contexts. In addition the student demonstrates creative and critical thinking skills using analysis and evaluation. The student clearly communicates complex ideas and information.

**C** The student demonstrates sound knowledge of content and understanding of course concepts, and applies skills and processes in a range of familiar contexts. In addition the student demonstrates skills in selecting and integrating information and communicates relevant ideas in an appropriate manner.

**D** The student demonstrates a basic knowledge of content and understanding of course concepts, and applies skills and processes in some familiar contexts. In addition the student demonstrates skills in selecting and using information and communicates ideas in a descriptive manner.

**E** The student demonstrates an elementary knowledge of content and understanding of course concepts, and applies some skills and processes with guidance. In addition the student demonstrates elementary skills in recounting information and communicating ideas.

# **DETERMINATION OF WHOLE SCHOOL AWARDS**

Teachers collect evidence of student learning and achievement throughout the year. Explicit feedback on student progress is provided to parents and caregivers through reports received in Semester One and Semester Two each year.

Information collated from whole-school reports is used to determine recipients of special awards to be acknowledged at Presentation Day. These awards include:

Attendance	Attendance data is used to determine the number of days students attend school in a calendar year. Students who achieve 100% attendance are eligible for this award.
Sustained Effort	The personal learning profile published on each report will be used to determine which students "Consistently" demonstrate positive learning attributes in all subjects.
Outstanding Academic Achievement	Teachers use the descriptors in the Common Grade Scale (see page 31) to provide an overall grade for each student in their course. Recipients of this award receive an A grade (representing Outstanding Academic Achievement) in the majority of courses.

# A GLOSSARY OF KEY WORDS

Syllabus outcomes, objectives, performance bands and examination questions have key words that state what students are expected to be able to do. A glossary of key words has been developed to help provide a common language and consistent meaning in the Higher School Certificate documents.

Using the glossary will help teachers and students understand what is expected in responses to examinations and assessment tasks.

Account	Account for: state reasons for, report on. Give an account of: narrate a series of events or transactions			
Analyse	Identify components and the relationship between them; draw out and relate implications			
Apply	Use, utilise, employ in a particular situation			
Appreciate	Make a judgement about the value of			
Assess	Make a judgement of value, quality, outcomes, results or size			
Calculate	Ascertain/determine from given facts, figures or information			
Clarify	Make clear or plain			
Classify	Arrange or include in classes/categories			
Compare	Show how things are similar or different			
Construct	Make; build; put together items or arguments			
Contrast	Show how things are different or opposite			
Critically (analyse/ evaluate)	Add a degree or level of accuracy depth, knowledge and understanding, logic, questioning, reflection and quality to (analyse/evaluate)			

Deduce	Draw conclusions
Define	State meaning and identify essential qualities
Demonstrate	Show by example
Describe	Provide characteristics and features
Discuss	Identify issues and provide points for and/or against
Distinguish	Recognise or note/indicate as being distinct or different from; to note differences between
Evaluate	Make a judgement based on criteria; determine the value of
Examine	Inquire into
Explain	Relate cause and effect; make the relationships between things evident; provide why and/or how
Extract	Choose relevant and/or appropriate details
Extrapolate	Infer from what is known
Identify	Recognise and name
Interpret	Draw meaning from
Investigate	Plan, inquire into and draw conclusions about
Justify	Support an argument or conclusion
Outline	Sketch in general terms; indicate the main features of
Predict	Suggest what may happen based on available information
Propose	Put forward (for example a point of view, idea, argument, suggestion) for consideration or action
Recall	Present remembered ideas, facts or experiences
Recommend	Provide reasons in favour
Recount	Retell a series of events
Summarise	Express, concisely, the relevant details
Synthesise	Putting together various elements to make a whole
Summarise	Express, concisely, the relevant details

# **Ancient History**

# Syllabus Outcomes:

AH11-1	Describes the nature of continuity and change in the ancient world
AH11-2	Proposes ideas about the varying causes and effects of events and developments
AH11-3	Analyses the role of historical features, individuals and groups in shaping the past
AH11-4	Accounts for the different perspectives of individuals and groups
AH11-5	Examines the significance of historical features, people, places, events and developments of the ancient world
AH11-6	Analyses and interprets different types of sources for evidence to support an historical account or argument
AH11-7	Discusses and evaluates differing interpretations and presents reasoned conclusions, using relevant evidence from a range of sources
AH11-8	Plans and conducts historical investigations and presents reasoned conclusions, using relevant evidence from a range of sources
AH11-9	Communicates historical understanding, using historical knowledge, concepts and terms, in appropriate and well-structured forms
AH11-10	Discusses contemporary methods and issues involved in the investigation of ancient history

Depending on the achievement of units of competency, the possible qualification outcome is Certificate II in Business BSB20115 or a Statement of Attainment towards Certificate II in Business BSB20115.

Schools may schedule exam items in preparation for the HSC exam. These do not form part of the RTO assessment requirements.

The assessment components in this course are competency based. Students need to demonstrate that they have gained and can apply the specific knowledge and skills each unit of competency. Competency assessment is graded as "not yet competent" or "competent". In some cases other descriptive words may be used leading up to "competent". A course mark is not allocated.

Depending on the achievement of units of competency, the possible qualification outcome is a Certificate II in Kitchen Operations SIT20416 or a Statement of Attainment towards Certificate II in Kitchen Operations SIT20416.

# Schools may schedule examinations in preparation for the HSC. These do not form part of the RTO assessment requirements.

The assessment components in this course are competency based. This means that students need to demonstrate that they have gained and can apply the specific knowledge and skills of each unit of competency. Competency assessment is graded as "not yet competent" or "competent". In some cases other descriptive words may used leading up to "competent". A course mark is not allocated.
