EXPRESSIONS OF INTEREST YEAR 7 ENRICHMENT CLASS 2022

Asquith Girls High School offers an Enrichment Class to cater for the learning needs of students showing high potential in the academic domain. As places in the Enrichment Class are limited, students must provide an expression of interest to be included in this class for Year 7 2022.

Expressions of interest for the Enrichment Class are due to Asquith Girls High School by **Friday 30 April 2021**. When submitting the expression of interest, please include the following items:

- Enrichment Class Expression of Interest Form
- Year 5 Primary School Report

Asquith Girls High School will use this information along with the results of an achievement test provided by University of NSW to identify students for this class.

Students who submit an expression of interest to be included in the Enrichment Class must be prepared to take part in the achievement test on **Tuesday 20 July 2021** in the hall at Asquith Girls High School. More information about this test will be sent to all students who submit an expression of interest for the Enrichment Class closer to this date.

Students will be notified of whether they will be included in the Enrichment Class by the end of Term 3 2021.

Students who are selected for the Enrichment Class will continue in this program for the duration of Year 7. Positions in this class will be reviewed at the end of each year based on assessment task data to determine which students will be placed in the Enrichment Class for the following year.

More information about high potential and gifted education at Asquith Girls High School can be found at <https://asquithgir-h.schools.nsw.gov.au/>
