

EQUIPMENT REQUIREMENTS 2024 - YEAR 7

Below is a list of equipment required for each subject in Year 7 to help parents, caregivers and students to prepare for 2023.

This year, we will not be using an external provider to prepare book packs that contain these items, as the cost of this service did not provide value for our families. Therefore, it will be the responsibility of each student and their parents or caregivers to purchase these items through a suitable retail outlet.
