Instructions for Parents

- This task will provide students with an opportunity to demonstrate their persuasive writing skills and outline the main reasons why they should be considered for inclusion in the Enrichment Class for Year 7 2024.
- The persuasive writing task is not designed to be onerous for students and will have a maximum word limit of 500 words.
- It is important that the response that is submitted is the student's own work.

Instructions for Students

- You are required to produce a persuasive response that addresses the following question:

Why should you be selected for inclusion in the 2024 Asquith Girls High School Enrichment Class?

- In your response, you may want to consider discussing some of the following details:
 - Academic achievements
 - Participation in extracurricular activities
 - Personal qualities/characteristics
 - Hobbies/interests
- When writing the response, please remember to follow these guidelines:
 - Maximum word length - 500 words.
 - Follow correct spelling, grammar and punctuation rules.
 - Organise ideas into paragraphs.
 - Check and edit your work carefully.
 - Use persuasive language and devices to communicate your main ideas.
 - The task can be hand-written or typed.
