Science Expo

A week of exciting Science based activities Years 7-10 will be participating in fun experiments and presenting their Science portfolios to the school community

International Women's Day Breakfast

In March the AGHS community comes together to celebrate women and raise awareness about achieving equality for women in all areas of life. Students, parents, caregivers, staff, distinguished guests and guest speakers all help to raise money for Mahboba's Promise, an organisation that supports girls in our sister school in Afghanistan. Come along and see Social Justice in action!

TAS Display

The annual TAS Display is open to the public and showcases the extraordinary work of students studying courses from the TAS faculty. Come along and enjoy food prepared by our students, a fashion parade of student creations and displays of the incredible work from Textiles, Design & Technology, Industrial Technology Multimedia and Stage 4 Mandatory Technology

Dance & Drama Night

It's so big we need two nights to fit it all in! A showcase of all things theatrical at Asquith Girls, featuring performances by Year 7 Drama, Junior & Senior Drama classes, Junior & Senior Dance Ensembles and elective Dance classes

Musicale

Musicale features performances from our incredibly talented music classes as well as the ensembles from our extracurricular music program - Stage Band, Concert Band, Wind Ensemble, Junior Choir and the Vocal Group

HSIE & Social Justice

Mock UN is an excellent opportunity for our students to engage in critical and creative thinking. By inviting teams from surrounding high schools, including Normanhurst Boys High School, Hornsby Girls High School, Barker College and Asquith Boys High School, our students interact by representing a range of different countries and perspectives to discuss important global issues.

Visual Arts Exhibition

Students in Visual Arts & Photography use their visual communication skills to explore and respond to their world. Come along and see their work, but prepare to be amazed!
